

## TODAY

Past District Governor (2006-07) and Governor's Aide **HELENE KALFUSS** will update us on a project in India that is funded by a Rotary International matching grant. Look for Assistant Governor **CAL BOOTHBY** to make the introduction wearing the same coat and tie he sported for the District 5330 directory.

## LAST WEEK

**KEN STEIN** gave an excellent program on the YMCA of the East Valley that touched on the Y's impact in the community and the number of persons served. As has been the case with other historic jewels in Redlands, the 82 year old facility is in need of updating and the Y is embarking on an ambitious but much needed campaign to fund the improvements. Hopefully the community will "answer the bell" and help preserve a worthy institution!

## NEXT WEEK

**LEELA MADHAVARAU**, Special Advisor to the President and Associate Dean of Campus Diversity and Inclusion, University of Redlands, will talk about "The Big Read" initiative being taken on by the University of Redlands.

## MEMBER MISCELLANAE

**LARRY WORMSER** made a recent trip to Las Vegas and was so successful at the slots that upon his return he was distributing "cashout vouchers" from the Tuscany Suites & Casino like confetti. When asked whether he got a travel permit for this trip, **LARRY** said he doesn't need to since he prints them . . .

Newlyweds **MARVIN** and **JAN HUDSON** took the networking component of Rotary to a new level. While **JAN** first joined Rotary in 2000 with the Seattle Downtown Club, she joined Noon Rotary during **MARVIN**'s term as President and the rest is history.

## THE PRESIDENT'S CORNER

Just around the corner is our final big fundraising opportunity of the year, the Rotary Ride. As always, **KEVIN CORREIA** and **LYNDA SCHAUF** have capably orchestrated the leadership behind the event. As with any successful fundraiser, it takes all of us doing our part, so lend a hand. Besides, you'll have some fun along the way.

Not sure who in our membership is riding this year, although Red Badge **HAP BOTHELLO** was inquiring about riding tandem on the 60 mile "savage" ride with his wife. Wow. My legs nor marriage couldn't survive that. More power to you **HAP**, although you might want to consider the shorter ride and move up.

## MORE MEMBER MISCELLANAE

Add Rotary couples: **STEVE GUGGISBERG** and his wife **SHARON** are Rotary Past Presidents (**SHARON** is a member of the Sunrise Club). **Prez NEAL** might visit **STEVE** regarding **STEVE**'s best guess when a **GUGGISBERG** vintage will grace the Red Wine & Blues event.

St. Patrick's Day having come and gone just two days ago explains why Shamrock Club member **MARK BULOT** is still pounding the aspirin and wearing a cold compress. **MARK** along with former members **BILL McCALMON** and **RON JEFFREY** share the honor of having been Chief Leprechaun for that club.

Add St. Patrick's Day: **SCOTT PIERCE**'s wallet is a little thicker after participating in a local St. Patrick's Day golf tournament.
