## RUMBLINGS

Prez/King **ALLAN** was confused last week. First he was a week early on the Birthday meeting, then he insisted that UofR student rep and Homecoming King **JAKE** could not retain his title, as **ALAN** could be the only King. Did **ALLAN** think he was UofR homecoming king?

**DICK BARTLETT** was then observed during lunch with a basket of bread on his head, obviously mocking King **ALLAN**.

**JIM NOLIN** helped organize the **SCOTT PIERCE** wins almost everything golf tournament, benefiting the Boy Scouts Grayback Dist. on Monday. **KEVIN CORREIA** managed to edge **SCOTT** out of one of the closest to the pin awards.

## ALLAN'S AVENUE

EXPERIENCE ROTARY is the theme for our regular meeting on November 12th, as I hope you all are aware due to the fine effort **RAY WATTS** has put forth in recent weeks reminding you of this important event.

As I have mentioned before, our membership has decreased in recent years, to the point that our programs are beginning to suffer from a shortage of funds, especially in the down market we are experiencing. **RAY** has taken this issue to heart in developing an all out plan to bring out membership back to a more respectable level. I have given him a target of 20 to 25 new members this Rotary year, which is normally unheard of. However, this is not only **RAY'S** responsible; it is an issue that needs to be addressed by each of us. Take to heart his call for names of potential members that we can invite to the November 12th event. The food will be good and the program excellent. In addition, **DARYL CARLSON** under **BOB HODGES** guidance will be conducting a food drive for Family Service on that day. You will be hearing more from **DARYL** on the details of this important venture at our next two meetings. Show our potential members that Rotary not only cares, but is an active participant in making Redlands a better place to live for all its citizens.
