

ALLAN'S AVENUE

A great time was had by all thanks to the excellent coordination of our Social Events Committee – of course I am talking about the annual Holiday Fest that was held this past Sunday evening at the extraordinary if not palatial residence of **PAT** and **ANNE MARIE MEYER!** **PAT'S** complex is so secluded that my GPS was totally confused refusing to acknowledge there is such an address as 1345 Fountain Place. **PAT**, there can be no doubt that you know how to get things done in this fine city. Not only was **PAT** and **ANNE MARIE'S** home special, so was the fare that **SHIRLEY HARRY'S** crew put together for all of us. The food was superb, as were the libations. When you want something to be done correctly, obviously call on those that know all the ropes and secrets to satisfy the most distinguishing tastes. Thank you so much, **SHIRLEY, CAROL BESWICK, JANET GREENFIELD, MARTHA GREEN, CAROL INMAN,** and **ANNE MARIE,** for all the great food, as well as **STEVE GUGGISBERG** for keeping the money straight, your efforts are greatly appreciated. I need also to express my thanks to **BILL MCCALMON** for forgiving my butchering of his name last Thursday (in front of the Governor yet) in an attempt to get to **PETE DAVIS** - who wasn't even in the audience.
