

LAST WEEK

Mike Ramos, District Attorney and native of Redlands spoke to the club. His commitment to keeping our community safe is evident in his dedication to controlling gang issues. He credits the football program at RHS for the foundation of his determination and ability to make things happen.

He outlined the four-step program for controlling gangs:

1. Gang suppression
2. Witness protection
3. Gang injunction
4. Prevention and intervention

Mike is working hard to develop a program with expected funding from the state to address the issues of gangs resulting in overcrowded jails, and the increased need for probation officers and support staff.

THIS WEEK

Emily Semaker, a Rotary Ambassador Scholar will be sharing her experiences with the club.

NEXT WEEK

Club Assembly is scheduled so that President Ray and the rest of the board can teach us the newest camp songs.

PRESIDENTS MESSAGE

What a pleasure it is to welcome Emily Sernaker back to our club to give a report on her year in Ireland as our Rotary Ambassadorial Scholar. I had the chance to watch Emily as she went through four incredible years at the University of Redlands, and all I can say is that it's hard to imagine a better representative of our club and Rotary International than Emily. I had the chance to follow her travels and adventures through her emails over the last year, and I know you will enjoy the chance to again hear from this remarkable young woman. Remember, it's our collective and ongoing support of the Rotary International Foundation that makes the Ambassadorial Scholarship program happen year after year...visit rotary.org to learn more.

It's hard to believe my first quarter as President is almost complete, I can assure you that I am enjoying every minute of this wonderful opportunity to lead and serve this organization. Thank you for your service to our club, our city, our nation and our world.
