

TODAY

STAN WEISSER will talk about the California State Board of Pharmacy. Here's to hoping that **Prez RAY** deviates from the practice of presenting a bookplate and instead fines **STAN** for the lengthy article in the Redlands Daily Facts about his reappointment to the California State Board of Pharmacy.

LAST WEEK

Penny Lundgren gave an energetic program that was part travelogue on her experiences as a mountain bike national champion and part inspirational about the rewards from being willing to take chances. Penny is working on making off-road cycling a club sport and would appreciate any help interested Rotarians could lend.

NEXT WEEK

District Governor Steven J. Wallace will talk about what he has planned for District 5330. Steve hails from the Lake Elsinore Club so expect **DON MCCUE** to ask questions about the merits of the Lake Elsinore Storm versus the Inland Empire 66ers.

MEMBER MISCELLANAE

Add **MCCUE**: There is no truth to the rumor that **LandON MCCUE** is requiring that staff at A.K. Smiley Library wear #9 Everton jerseys or that when you get put on hold you now listen to "Forever Everton".

There is some truth to the rumor that **LEROY HANSBERGER** has a streak of golf rounds without a 3-putt that makes professional golfer Luke Donald look like a rank amateur.

If you haven't seen the major aquatics project at the YMCA, **KEN STEIN** would be happy to give a personal, guided tour. There is a generous matching gift on the table so if you feel so inclined, anything you give to the capital campaign is "doubled."

LEON ARMANTROUT was the subject of a 2001 Fortnightly Club presentation whose interesting revelations included **LEON** having been active in conservative groups while in college.

JIM BRASWELL's "Pharaoh 's Adventure Park" was back in the news with announcement that Clearwater Waterpark Development has leased the park and will be operating it as "Splash Kingdom at Pharaoh's"

PRESIDENTS MESSAGE

The Rotary new year got off to a great start last week with an excellent program about downhill offroad mountain biking...and this week, we tackle pharmaceuticals...thanks so much to our own Stan Weisser for stepping up to enlighten us with his expertise.

Our Rotary District Governor visits next week, so please make a point to be here to meet Steve Wallace and hear what he has to say. He has been an inspiration for me, and he and his wife Vicky (who will be here as well and is also an active rotarian) represent the ideal of service above self. You will enjoy his presentation, I guarantee it.

Thank you for your service to our club, our community and our world.

P.S. please find Lynda and Kevin over the next few weeks and find out how you can get involved with Red Wine and Bues...our biggest event of the year will only work if every member is involved...
