

TODAY

CHRISTINE MEE, the siren of **CHRIS WALKER'S** Department of Communicative Disorders at University of Redlands, will entertain the club with music to bring us even more holiday spirit.

LAST WEEK

GRAEME AUTON delivered an interesting analysis of the international ramifications of the political situation in Israel, which he visited first-hand. An interesting revelation was shared by **HARRY JOHN** as a result of his own visit to the Holy Land – that the YMCA at which he stayed was actually equipped with a **FULL BAR!!** Can you believe that? In a YMCA! Hopefully phase two of **KEN STEIN'S** YMCA expansion project will include such an amenity, which would probably alleviate all future fundraising needs – even if it is only frequented by Rotarians!

NEXT WEEK

It's time for **CRAFT TALKS!!!** This is the opportunity for the Club to get to know better some of our newer members and their professional worlds. We are fortunate to know **NATE BERGSMA, JESSE GUTIERREZ,** and **JERRY MIHL.**

ABOUT TOWN

Proving that even those who rise to great levels of experience and leadership don't necessarily forget their roots or lose their humility, University of Redlands student body president **KAILEY HATFIELD** was seen recently serving notable Rotarians including **DON MCCUE, LYNDA SCHAUF, PETER DAVIS, LARRY BURGESS, MARK BULOT, ZACH TUCKER, NEAL WANER, STAN WEISSER, LARRY WORMSER,** and even her own father **BILL HATFIELD.**

Holding court recently at the Redlands Country Club was our own Superintendent of Schools for Redlands **LORI RHODES**, who was doubtless plotting the future success of our youth. Was it merely coincidence that she was strategically seated near **CINDY ANDREWS?**

LOOKING INTO THE ROTARY PROGRAM CRYSTAL BALL...

It's a whole new year! Yippee!

Can you find the current Rotarian in this photo? Need a hint?

PRESIDENTS MESSAGE

It may be a cliché to say that time is flying, but as your President, I will jump in to the cliché with both feet and let you know that time is definitely flying. Hard to believe that my year at the helm of this fine club is half over. As always, it's an honor and a privilege to serve this community with you. Thank you again for entrusting me with this important role for the year, and I hope you join me in an excitement about the months and years ahead.

Speaking of service, I'd like to formally thank **STEVE GUGGISBERG** for his service to our club as Treasurer. **STEVE** has resigned from the club, and he will be missed. **CAL BOOTHBY** has agreed to fill the role of Treasurer for the rest of my term, and I am very thankful for **CAL'S** leadership and dedication to this club.

At this very special time of year, I wish you and your families much peace and happiness...as the days begin to get longer now until June 21, let us remember that there is always more we can do to be better Rotarians, better citizens, better spouses and parents (and children for that matter). Thank you in advance for your service to our community, our nation and our world.
